

Zire™

The point is **It's technology you can use.**

The right handheld at the right price.

Whether you're juggling events and appointments for yourself or for your entire family, the Palm™ Zire™ handheld can help you keep track of the things that really matter. In the office or at home, the Zire handheld has everything you need to help you keep your life—and even your budget—in balance.

The Zire handheld offers the style and ease of Palm, the leading handheld brand at a price that appeals to everyone. It couldn't be easier to stay organized. Keep the information that is most important to you—such as addresses, appointments, notes and phone numbers—all in one place, so you'll always know where to find them. And with the Zire handheld, you'll be able to take them with you, wherever you go.

It's easy to learn and simple to use.

The Palm Zire handheld never makes you repeat yourself. Enter information once, at your desktop, or on your handheld.

Choose 1 of 3 ways to enter data.

1. Enter information using your desktop computer's keyboard, then hit the HotSync® icon to transfer it to your Zire handheld.
2. Write your information directly on the screen, using Graffiti® software. It's accurate and easy.
3. Use the Palm Zire handheld's on-screen keyboard.

Keeping your information safe is easy.

You can instantly back up, update, or exchange information between your Zire handheld and your computer with the touch of a button.
